MoDOT CARRIER EXPRESS
International Registration Plan

Acceptable Supporting
Documents

FOR INITIAL APPLICATION AND RENEWAL OF INTERNATIONAL REGISTRATION PLAN LICENSE PLATES, THE FOLLOWING SUPPORTING DOCUMENTS ARE REQUIRED

Title or Validated Titling Receipt

A copy of the current owner's title or validated title receipt

Owned Vehicle

If the vehicle is owned by the registrant/motor carrier, the owner must present a Missouri title in their name or a Missouri validated titling receipt indicating they have applied for title in their name. The name on the title must match the name on the filing documents for the USDOT number, the MC number and Secretary of State documents, if applicable.

Leased Vehicle

If vehicle is leased, a copy of the current owner's title must be submitted. This may be an out of state title. An out of state validated title receipt can be used if the validation can be determined.

Note: In no case will MCS accept a title which is "signed over" to the new owner. A new owner must apply for title in their name prior to being licensed.

Lease Agreement

If the vehicle is leased (not titled to registrant/motor carrier), a lease agreement between the two parties must be submitted with the following:

- Must identify the parties in agreement.
- Must identify units by VIN
- Both parties must sign the lease.
- In some cases there may be a third party involved. In this case, an additional lease agreement may be required.

Note: There must be a full connection of lease agreements from the owner on the title to the registrant/motor carrier purchasing the license plate.

Personal Property Tax Receipt – Trailers do not have to be verified

A copy of the prior year personal property tax receipt or a tax waiver, in the name of the titled owner and the carrier purchasing the plates, for all power units (owned and leased) must be submitted. If the receipt is not detailed, showing the applicable vehicles, a copy of the same year assessment listing must also be provided for verification.

A waiver may be submitted if the carrier has not been assessed any property tax.

Note: If the vehicle purchase date is in the current year (i.e. 2010) or one-year prior (i.e. 2009) it will not be required to appear on the current year (i.e. 2010) paid receipt. If no taxes were owed then a copy of a tax waiver must be provided.
